Farm Bureau Activities

(By BYRON DYER)

The Esia Farm Bureau celebrated the return of one of its members, Edward Starling, from Korea by turning out in mass Tuesday night. There were ninety-six present for this meeting, the largest crowd the chapter has had yet. Danny Newman and Clara Iler joined the corn contest to bring the total up to some fifteen now in the demonstration. Jim Futch, the Esia president, announced that the community had raised its Red Cross quota for this drive. The supper committee served steak.

V. J. Rowe announced at Nevils Wednesday night that the community had not reached its Red Cross quota yet but thought they would. The various systems of grazing found in the county at present and the cost of these pastures came in for right much discussion. The community has some of the county's better purebred cattle breeders in E. L. Roberts and C. J. Martin, as well as several commercial cattlemen. Mr. Roberts and Mr. Martin have some of the best known lines of Hereford cattle. Hines Smith, the Nevils president, pointed out that although most of the talk was being centered around cattle, hogs seemed to be doing pretty good on the pastures that he had visited on the tour, and that perhaps more thought could be given to such programs for hogs. Generally those that always told about how many cattle were being grazed, failed to mention that they also had lots of hogs on these same grazing areas. Nevils served a ham supper.

A motion picture, Deeper Acres, was a part of the Esia and Nevils programs. The picture dealt with the methods of increasing production on all new crops.

Register chapter had its program Thursday night the annual FFA pig show. The pigs entered were from the community chain and will be entered in the county show later in the spring. Register also served a ham supper.

Mrs. Dan C. Lee, president of the county Associated Women, stated that plans for a county queen and talent contest would be held sometime in May. She has asked that all community chapters get their entries all lined up. The district contest is June 10th, but records on the county contest will have to be in Mason by June 1st.

Middleground plans to hold its family night program next Thursday, May 1st. The school chorus will provide the program with Mrs. Abernathy in charge.

**ESLA CLUB MEETS** The Esia Home Demonstration Club met on the third Monday in April with Mrs. Tommy Canady, vice-president, in charge. Mrs. Edge gave an interesting talk on defense. Mrs. Whitehead gave a demonstration on do-and-don'ts in clothes. Mrs. Payne, Mrs. Roland Lee and Mrs. Brunson judged the style revue. First place was won by Mrs. Carl Starling, second by Mrs. Tommy Canady, and third place was Mrs. Dan Futch and Mrs. Arnold Parrish. MRS. J. E. STRICKLAND, Reporter.

### Local Junior Chamber Gives Robbins Boost

The Statesboro Junior Chamber of Commerce has nominated its retiring president, Charles H. Robbins Jr., for the presidency of the Georgia Junior Chamber of Commerce, a Jaycee since 1948. Mr. Robbins moved to Statesboro from Savannah in 1949. He served as the local organization's secretary in 1950-51 before assuming the presidency. Under his leadership the club has increased its active membership from nineteen to thirty members. Mr. Robbins is a partner with his father in the Robbins Packing Co., established here in April, 1949. His father formerly was with the Wood- Robbins Company in Savannah. The state office which he seeks to hold will be awarded at the annual Jaycee convention at Brunswick May 8-10. Graduated from Savannah High School in 1938, Mr. Robbins attended the Citadel, served in the Air Force with the Air Transport Command in Natal, Brazil, and British West Africa between February, 1943, and February, 1946. He was employed with the Union Bag and Woodland Division in Savannah from 1946 to 1949. In 1949 he married Miss Patricia Mathewson, daughter of Mr. and Mrs. Tracy Mathewson, of Augusta. They have two daughters.

### Banquet Scene Boon To Needy Children

More than 700 pounds of food used in a spectacular banquet sequence of "Quo Vadis," G.M.A.'s epic production, showing at the Georgia Theater, April 27-28-29-30, found its way into the stomachs of needy Italian children. For the elaborate scene, depicting the Emperor Nero's testimonial banquet for his victorious commanders, twelve of Rome's leading chefs worked twenty-four hours to prepare a cold roast that included three roasted hogs, six turkeys and fifteen baked chickens. Because of the large number of close-up shots and the fact that "Quo Vadis" was filmed in technicolor, it was decided to use actual food rather than props. At the close of the day's filming, Director Mervyn LeRoy and Producer Sam Zimbalist ordered any untouched food to be distributed among the relief agencies. Robert Taylor and Deborah Kerr head a cast of thousands in the thrilling story of the birth of Christianity in a pagan world.

### Heavy Fines Imposed For Ceiling Evasions

During March enforcement divisions of the Office of Price Stabilization completed 1408 actions against firms in six Southeastern states. G. Elliott Hagan, director for the Savannah District Office has announced following receipt of a report from Regional Headquarters. Mr. Hagan said the actions resulted in payments to the U. S. Treasury totaling \$17,032.91 in fines, penalties and refunds by firms for violating ceiling price regulations. He also announced a new OPS policy from Washington which becomes effective May 1. Names of business men involved and full accounts of all violations which occur after May 1 will be made available to the public through appropriate district offices. Formerly names of unintentional and non-willful violators were not made public, he said. In referring to the monthly report Mr. Hagan urged that South Georgia merchants and operators of large stores contact the Savannah District Office for information "if they have any doubt as to how OPS regulations affect their particular type of business."

### For Solicitor Superior Court

To the People of the Ogeechee Judicial Circuit:  
I hereby announce my candidacy for the office of Solicitor General of the Ogeechee Judicial Circuit in the Democratic Primary to be held May 14, 1952.

I am completing my first term as Solicitor General. I have enjoyed the work of that office, and I appreciate the fine co-operation which I have received from the court, the officers of the court, the attorneys, and the citizens of the several counties in performing the duties of that office.

I deeply appreciate the fact that I am permitted now to enter the primary without opposition. I assure you that when re-elected I shall continue to devote my time and best efforts to the work of that office and serve you at all times to the best of my ability.

Sincerely yours,  
WALTON USHER.

### For Judge Superior Court

To the People of Bulloch County:  
I am a candidate for Judge of the Superior Court in the primary to be held May 14, 1952.

It shall be my purpose to administer the duties of this office fairly and impartially and with full consideration of the rights and interests of the public, parties having business in the courts, the officers of the court, and attorneys practicing in it.

My experience as a practicing lawyer naturally should fit me for the performance of the duties required in the office of judge.

Thanking you for your help in this campaign, I am,  
Sincerely yours,  
W. G. NEVILLE.

### For Judge Superior Court

To the People of the Ogeechee Judicial Circuit:  
I hereby announce my candidacy for judge of the superior court of the Ogeechee Judicial Circuit in the Democratic primary to be held on May 14, 1952.

I have practiced law in the circuit since my admission to the bar in 1939 with the exception of the years spent in the army in World War II. My practice has largely consisted in the trial of civil and criminal cases, which experience has, I believe, qualified me to perform the duties of a trial judge.

If elected, I will preside in the trial of jury cases with fairness to all parties and conduct the business of the courts in an efficient, prompt and just manner.

I will hear all motions and petitions addressed to the court at the court house in the county where the same is pending thus relieving parties, witnesses, and their attorneys of traveling to the city of the judge's residence for hearing. I will give parties and their counsel a respectful hearing and render an immediate decision based on the law in the case.

In criminal cases where the judge is authorized to fix the punishment, I will award sentences proportionate to the severity of the offense committed, seeking always to punish the guilty fairly and to protect the innocent.

I feel that the only promise a candidate for judge can make is that he will administer justice without respect to person and to equal rights between all parties. To this end I pledge you every effort of which I am capable.

Respectfully submitted,  
COLBERT HAWKINS.
